

Use straight from bottle

EASYSeal Deck Magic

Slip resistant sealer and protector - multiple actions in 1 bottle

**SLIP RESISTANT SEALER
PROFESSIONAL GRADE**

Multiple Actions in 1 Bottle

- Improves grip on wet timber flooring and decking
- Seals the wood yet allows it to 'breathe'
- Excellent water proofing qualities
- Preserves the life of your decking
- Resists algae and fungal growth
- Water based - contains no abrasives
- Invisible coating - no textural or long term colour change

FOR USE ON NEW (INC. TANALISED), BARE OR OLD BUT CLEAN, UN-COATED TIMBER

Using the latest advances in chemical technology the amazing **EASYSeal Deck Magic** is a high performance penetrating sealer with the added bonus of improving foot traction to provide a safer grip on wet decking and floors. It will also assist in preserving the life of your timber decking.

- Applies an invisible slip resistant coat
- Solvent free and easy to use
- Wood remains "breathable"
- Resists fungal growth and staining
- Resists the growth of moss and algae
- Safe and easy to apply

Besides being used for timber decking, **EASYSeal Deck Magic** can be used to seal and protect virtually any porous bare or uncoated timber such as fences, sheds, pergolas etc., greatly increasing their life expectancy.
